Public procurement practice states that any arithmetical errors should be corrected, and scores should be recorded in grids/matrices (NIGP). According to the International Anti-Corruption Resource Center, bids that are too close together (less than 1%) or too far apart (more than 20%) could be indicators of collusive bidding. Not applicable for RFPs. 	N/A	N/A
Cancellation	<ul style="list-style-type: none"> The Government Accountability Office states that the use of standard language such as "in the best interest of the city" without a specific justification for cancellation could be a fraud indicator. Transparency International states that effective record-keeping of decisions and reasons for cancellation promotes accountability and transparency. 	N/A	N/A
Award	A contract file should include all project items, to confirm that each phase of the procurement was facilitated appropriately and audit-ready (DOP SOP Sec. 3.18)	The user agency did not provide [DOP] the approved requisition as required by the department's standard operating procedures.	DOP Response Acknowledged. The award legislation also amends the FY2022 Tree Trust Fund Budget to appropriate funds for the agreement, thus providing the assurance of funding normally satisfied by the submission of a requisition.
